GUIDE TO FUNDING OPPORTUNITIES FOR THE INTERNATIONAL MOBILITY OF ARTISTS AND CULTURE PROFESSIONALS

This guide is an updated version of the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**¹ produced by the Foundation Interarts, On the Move and PRACTICS and first published online in September 2011².

Updated in January 2018, the present Guide on **Bulgaria** includes:

- **Mobility funding opportunities open to Bulgarian nationals and residents in most artistic and cultural disciplines > Outgoing mobility (OM);**
- **Mobility funding opportunities open to nationals from other countries than Bulgaria in most artistic and cultural disciplines > Incoming mobility (IM)**

This guide lists national, regional and local resources, be they public or private. Only regular opportunities accessible online are listed; funds for which information is only available offline, not based on open calls, and ad hoc or short-term funding are usually not included. For a full overview of the methodology and scope of the research, please refer to the introduction of the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe**³.

Overall, the main objective of these guides is to make available online, in a transparent way, the existing information on funding for the international mobility of artists and cultural operators and to give input to funders on how to fill in the existing gaps in funding for international cultural exchange in order to ensure a sustainable support to cultural mobility in Europe and in the world.

This guide, updated by **On the Move** with the research support of [Dr. Lidia Varbanova](#)⁴ and thanks to the coordination of the **Asia-Europe Foundation (ASEF)**, is an attempt to gather all the resources in one document, and is by no means complete. You can send your comments, suggestions and corrections to: mobility@on-themove.org

For regular and one-off calls for projects, collaborations and other opportunities to fund international cultural exchange, we invite you to subscribe **for free** to the monthly newsletter of On the Move at <http://on-the-move.org>.

4. Additional tips and comments

We are aware that the listing of national/local sources of funding to support the mobility of Bulgarian artists and cultural professionals is limited.

Below are some additional resources to fund your mobility.

Funds and organisations that specifically focus on Europe and the Eastern/central and/or the Balkan region

- Consider the European Cultural Foundation (programme STEP), the Roberto Cimetta Fund or the Allianz Cultural Foundation:

> <http://ecflabs.org/step-travel-grants> (EU and neighbouring countries)

> <http://www.cimettafund.org/> (Euro-mediterranean / Arab region)

> <https://kulturstiftung.allianz.de> (Euro-mediterranean region)

- There are also specific international programmes which support mobility for a specific group of countries, including Bulgaria, for instance:

> The Asia-Europe Foundation (its mobility programme – Mobility first!) Connects countries from Europe and Asia):

<http://www.asef.org/projects/themes/culture/4176-mobility-first>

> CECArtslink (USA and 37 eligible countries including Bulgaria): <http://www.cecartslink.org>

European and international sources of funding

- European national cultural institutes (such as the Goethe Institut, Institut Français, British Council etc.) can sometimes support the mobility of Bulgarian artists and cultural professionals⁷.

- You can also check the list of EU funded projects and eventually see which ones include Bulgarian partner-organisations⁸.

- Consider joining a network in relation to your field of work. This can help you to better connect to some opportunities at a regional, European and international level⁹.
