Guide to funding opportunities for the international mobility
of artists and culture professionals

LATVIA

This guide is a partially updated document from the Guide to funding opportunities for the
international mobility of artists and culture professionals in Europe1 produced by the
Foundation Interarts, On the Move and PRACTICS and published online in September 2011.

This present guide specifically focused on Cyprus includes:

- Mobility funding opportunities open to Latvian nationals and residents in most
  artistic and cultural disciplines > Outgoing mobility (OM);

- Mobility funding opportunities open to nationals from other countries than Latvia
  in most artistic and cultural disciplines > Incoming mobility (IM)

The guide lists national, local and international resources, be they public or private. Only
regular opportunities accessible online are listed; funds for which information is only
available offline, not based on open calls, and ad hoc or short-term funding are not included. For
a full overview of the methodology and scope of the research, please refer to the introduction of
the Guide to funding opportunities for the international mobility of artists and culture
professionals in Europe2.

Overall, the main objectives of such mobility funding guides are to make available online, in a
transparent way, the existing information on funding for the international mobility of artists and
cultural operators and to give input to funders on how to fill in the existing gaps in funding for
international cultural exchange in order to ensure a sustainable support to cultural mobility in
Europe and in the world.

This guide, updated by On the Move thanks to the support of the Asia-Europe
Foundation, is an attempt to gather all the resources in one document, and is by no
means complete. You can send your comments, suggestions and corrections to:
mobility@on-the-move.org

For regular and one-off calls for projects, collaborations and other opportunities to fund
international cultural exchange, we invite you to subscribe for free to the monthly newsletter of
