POLAND

CULTURAL MOBILITY FUNDING GUIDE FOR THE INTERNATIONAL MOBILITY OF ARTISTS AND CULTURE PROFESSIONALS **POLAND**

This section is part of the joint ARS BALTICA and On the Move initiative to create the first **Baltic Sea Region (BSR) Cultural Mobility Funding Guide**. The section builds up on previous research carried out for the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe¹** produced by the Foundation Interarts, On the Move and PRACTICS and first published online in September 2011.

This present **section** specifically focused on **Poland** includes:

- ▶ Mobility funding opportunities open to **Polish nationals and residents** in most artistic and cultural disciplines > **Outgoing mobility (OM)**;
- ▶ Mobility funding opportunities open to **nationals from other countries than Poland** in most artistic and cultural disciplines > **Incoming mobility (IM)**

The guide lists national, local and international resources, be they public or private. **Only regular opportunities accessible online are listed**; funds for which information is only available offline, not based on open calls, and ad hoc or short-term funding are not included. For a full overview of the methodology and scope of the research, please refer to the introduction of the **Guide to funding opportunities for the international mobility of artists and culture professionals in Europe²**.

Overall, the main objectives of such mobility funding guides are to make available online, in a transparent way, the existing information on funding for the international mobility of artists and cultural operators and to give input to funders on how to fill in the existing gaps in funding for international cultural exchange in order to ensure a sustainable support to cultural mobility in Europe and in the world.

This section, **updated by National Centre for Culture Poland³ and coordinated by On the Move and ARS BALTICA**, is an attempt to gather all the resources in one document, and is by no means complete. You can send your comments, suggestions and corrections to: **mail@arsbaltica.net / mobility@on-the-move.org**

The mentions Public (Pub.), Private (Pri.) and Public/Private (PP) have been added to highlight the sources of funding.
